Lokayukta Raids

Search on at homes, offices of 1 MCC, 2 MUDA officers, 1 Sub-Registrar

MCC Superintending Engineer Mahesh's house at Kuvempunagar and Nanjangud Sub-Registrar Shivashankaramurthy's bungalow at Nivedithanagar in Mysuru, that were raided by Lokayukta sleuths this morning. Pics right show Lokayukta men searching the Offices of MUDA Chief Accounting Officer N. Mutha and MUDA Technical Assistant Nagesh.

Mysuru, May 31 (RK&BCT)- Coordinated Lokayukta anti-corruption wing raids are underway in different locations across Karnataka against Government officials who have allegedly amassed assets disproportionate to their known sources of income. The raids began at 6 am by over 50 Lokayukta Officers and staff.

The raids are still underway at their residences, offices and private properties in Mysuru, Bengaluru, Tumakuru, Haveri and Bidar districts. The sleuths are verifying the documents of properties including movable assets, gold and cash and bank account details.

In Mysuru, the bungalow of Mysuru City Corporation (MCC) Superintending Engineer Mahesh at Kuvempunagar was raided by one team. His farmhouse was also raided.

Six teams with six persons in each team are searching for records and bank account details in Mysuru.

Simultaneously, two other teams of officers raided the bungalow owned by N. Mutha, the Chief Accounting Officer of Mysuru Urban Development Authority (MUDA). His house is located at Basavanahalli in Vijayanagar Fourth Stage.

Another officer raided was Nagesh, MUDA Technical Assistant who owns a house at Dattagalli E&F Block. Reports are also coming in about the raids on the house of Nanjangud Sub-Registrar Shivashankaramurthy who owns a bungalow at Nivedithanagar in Mysuru.

While undertaking searches at homes, the Lokayukta teams also raided the office sections and chambers at MCC, MUDA and Nanjangud Sub-Registrar's Office and were scanning the records to retrieve more information about the assets.

Sources said that cases had been booked against the Officers based on the information provided by the public and FIRs were registered a month ago. Today's raids were conducted after securing permission from the Court.

Mahesh, Mutha and Nagesh were holding key positions in the MCC and MUDA and there were allegations of corruption. They were booked under the Prevention of Corruption Act, 1988 - Karnataka Lokayukta. While Mahesh played a crucial role in clearing of the bills at the MCC for all the development works undertaken by contractors at the civic body, Mutha has spent his entire career in MCC and MUDA. He was the Chief Accounting Officer of MUDA initially and was transferred to MCC. However, he was brought back to MUDA. Nagesh had served in the MUDA Zone-7 Office and he was appointed as MUDA Technical Assistant.

Reports also said that the raids were being conducted on the residence of KIADB officer Narasimhamurthy in Tumakuru district. In Haveri district, raids were underway at the residence of Nirmithi Kendra Engineer Vageesh Shettar at Ranebennur town and the office of Nirmithi Kendra, in the premises of DC's office of Haveri city.

Govt. and aided Schools re-open

MLAs, officials accord warm welcome to students

MLA Tanveer Sait watering a sapling along with students at Government High School, Nizamia, Lashkar Mohalla, in city this morning.

Mysuru, May 31 (RK&TRR)- The Government and aided Lower Primary, Higher Primary and High Schools were reopened today after summer holidays. Gates of a total of 3,446 schools across the district were warmly opened for school children who came enthusiastically to schools on the first day of the new academic year-2023. All the Schools were issued guidelines by the State Government to make preparations for re-opening by compulsorily distributing sweets to students on the first day along with midday meals.

Mysuru DDPI Ramachandra Raje Urs and newly elected MLA from Chamaraja K. Harishgowda welcomed students at Kumbarakoppal Government Higher Primary School by offering them sweets, textbooks and uniforms.

DID YOU KNOW?
Congenital Heart Disease
There are treatment options for children born with heart defects such as a hole in the heart or irregular valves. Technology has progressed tremendously. So much so that if we can detect a heart defect in a child at birth, we can intervene and ensure that the child has a chance at a normal life. Early accurate diagnosis is very important.

Dr. Vijaya Dabbe Literary Award presentation tomorrow

B.M. Rohini

Mysuru, May 31- Samata Adhyayana Kendra, Mysuru, will be conferring Dr. Vijaya Dabbe Literary Award-2023 on senior researcher and writer B.M. Rohini at a function to be held tomorrow at Mini Theatre, Kalamandira premises at 10 am.

Rohini has been chosen for the award for her Kannada book 'Veshyavatikeya Kathe Vyathe' published in 2022 by Mangalore's Akruthi Ashaya Publications.

In all, 46 women writers had sent their books to the Samata Kendra on Review and Research Works published during 2019-2022 by women publishers.

A selection committee comprising Dr. M. Usha, Dr. Selvakumari and Dr. R. Sunanda-mma considered the subject, coverage and insights of the books and selected Rohini's work.

The award consists of a cash prize of Rs. 25,000 and citation. Rohini, who is 79 years old, is still active in studies, research, organisation and interactions.

On the occasion, prizes will be distributed to winners of poetry and story-writing competitions. Samata Adhyayana Kendra Immediate Past President M.N. Sumana will deliver keynote address. Senior researcher & writer Dr. T.N. Nagaratna and writer Dr. N. Gayatri will be the chief guests. Kendra President Dr. Sabiha Bhoomigowda will preside.

EDITOR'S BOTTOMLINE

A grand ceremony and sharp political rhetoric greeted the new Parliament. If the splendour and hi-tech amenities reflected new ambitions, the war of tweets and statements pointed to a bitter political divide that can act as a drag on that ambition. So, as our MPs get ready to work from a swanky new office, they and, even more, their party leaders must ask what use is India's new House for India if it can't house thoughtful, civil debates and pass well-scrutinised laws that make things better for citizens. Which is to say it would be tragic were the ways of the old Parliament carry over to the new one.

If Lok Sabha and Rajya Sabha are Parliament's heart and mind, Parliamentary Committees are its nerve-centre, deliberating year-round, scrutinising bills. Yet too often, bills are not sent to committees. In this Lok Sabha, barely 13% of bills were sent to committees till monsoon session 2022. This number was 27% in the 16th Lok Sabha. The 15th Lok Sabha sent 71% of its bills to committees. A country as vast, stratified and complex as this, an economy that will be the third largest in the world within the lifetime of many MPs must be governed by laws that have had the benefit of many close and diverse looks. The new Parliament must resuscitate the tradition of Parliamentary Committees being prime players in law-making.

The onus lies on parties, those who attended the ceremony and those who didn't, to make the new Parliament new in a meaningful way. But, as per the well-understood precepts of Parliamentary democracy, the biggest onus lies with the governing party. BJP and especially BJP's leadership must therefore make the first moves on reviving India's old Parliamentary culture, in which debate and decorum coexisted happily. The party has accused the Opposition of dishonouring the new Parliament. BJP must show it knows how to truly honour the splendid new addition to India's governance architecture. — *In The Times of India*

Harbour that appears like dolphin's head

Pwllheli: A photographer has posted a beautiful photo on social media of an island that looks like dolphin. Photographer Rhy Jones said he has been to Pwllheli harbour several times but never spotted its unique shape before. The picture has been posted on a Facebook forum called Pwllheli Drone Photos. The coastline of Wales is full of incredible wildlife - both on land and under the sea. Facebook users were amazed by the island's resemblance to the mammal.

"I've been up several times above the marina but it's the first time I've noticed this. It was an amazing discovery. Once you've seen it, you can't unsee it," Jones said.

The mammal's nose has been created by a small stone breakwater jutting out into the sea and an eye from a small piece of shrubs. The sand on the harbour is distributed in such a manner that it looks like the 'dolphin's head'. The sand curve slopes down towards a park-like structure. The surrounding blue water and grey stone give the entire photo an exceptional colouring.

Service dog gets honorary diploma

New Jersey: The graduation ceremony at New Jersey's Seton Hall University featured a diploma being presented to one very special graduate: a student's service dog.

A video tweeted by the University shows Grace Mariani and her service dog, Justin, being presented with diplomas by Seton Hall's Joseph E. Nyre.

Mariani received a bachelor's of science in education degree, while Justin was presented with an honorary diploma for attending all of his owner's classes.

Mariani said she plans to teach elementary and special education, and Justin will remain by her side in her career.

VOICE OF THE READER

Plea to switch off
street-lights during daylight

Sir,

In western countries, there is a practice of 'Daylight Saving Time' by turning the clock ahead as warmer weather approaches and back as it becomes colder again. The goal of 'Daylight Saving Time' is to make better use of daylight by prolonging the amount of time people can spend outside during daylight hours. The reverse procedure is done in winter.

In contrast in our city and also elsewhere, we have the practice of spending electricity by extending the street-light even after sunrise. Surprisingly, in winter the street-lights are switched off very early before sunrise much to the inconvenience of early morning elderly walkers.

Since a month, I have been observing that the street-lights on Vishwamanava Double Road and the Ring Road would be still on even after sunrise in contrast to being switched off when it would be still dark in winter.

I had written letters on both the occasions to draw the attention of the authorities but to no avail. I once again appeal the authorities concerned to look into this aspect very seriously.

Free eye camps by MRC

Mysuru, May 31- The Mysore Race Club (MRC) Eye Hospital will be conducting free eye check-up camps (cataract screening) in the city and district on different dates in June.

The camp will be held in Mysuru at Srinidhi Hall, J.P. Nagar on June 26; at Vasavi Licons Vidyaniketan School in T. Narasipur on June 5; at Rotary Bhavan in K.R. Nagar town on June 12 and at Primary Agricultural Credit Co-operative Society, Bettadatunga in Periyapatna taluk on June 19, according to a press release. Registration is open for BPL card holders and financially backward families. For details, call Mob: 99453-93536 (Mysuru), Bettadatunga - 99001- 45279, K.R. Nagar - 97412 40793 and T. Narasipur-98803-52321.

Calling grand-children of Rly. Pensioners

Mysuru, May 31- The grand-children of members of Railway Pensioners Welfare Association, Mysuru, who have passed SSLC and PUC during the year 2023 with 80 percent and above marks, will be honoured on June 25 at Sri Rama Kalyana Mantapa, opposite CFTRI School, Vontikoppal.

Eligible members may submit application in the proforma along with copy of marks sheet before June 15 to the Association office, A Manuel Hall, Seshadri Iyer Road, Mysuru - 21.

Members can contact General Secretary M.D. Sunil Kumar Jain on Ph: 0821-2420444 during office hours.

Update postal address

The members of the Railway Pensioners Welfare Association, Mysuru, who have changed their residence and have not given their present address, should update their present postal address at the office as many of the General Body Notices have been returned by Postal authorities as 'addressee not available,' according to a press release from Association General Secretary.

Mysuru Seed and Food Fest on June 3 and 4

Mysuru, May 31- Sahaja Samrudha, in collaboration with Swissaid and Research Institute of Organic Agriculture FiBL, has organised a two-day Seed and Food Festival at Nanjaraja Bahadur Choultry in city on June 3 and 4 from 10 am to 8 pm.

The festival is a festivity of crops that has been neglected and underutilised and almost forgotten by all. The Seed Festival brings together seed saving groups from all over Karnataka, who have preserved seeds, crops and knowledge that are rich in diversity and heritage. It is a celebration of our seed wealth and community knowledge and food culture.

The Festival involves the exchange of seeds and serves as a platform for farmers to collect, store and share their native varieties of crops. Twenty seed saver groups are participating in the Festival which will display traditional rice, millet, vegetable, fruit and forest seeds. Over 250 varieties of different vegetable, rice and millet seeds will be available for purchase.

Organic Seed Production Workshop and Seed Swap will be held on June 4. At 4 pm, gardeners can meet and exchange seeds. One can bring spare seeds, plants and gardening books to share and exchange.

A variety of Jackfruit saplings including Siddu Halasu, Shankara, Sarvarutu, Gumless and 'Super Early' are available for sale.

For details, contact Nishanth of Sahaja Samrudha on Mob: 96320-01827 or Manju on Mob: 70900-09944.

Mysuru-Kushalnagar four-lane Highway

Project work to begin in a month, says MP

Madikeri, May 31 (PS&BCT)- Work on the four-lane Highway between Mysuru and Kushalnagar will start in a month, said Mysuru-Kodagu MP Pratap Simha.

He was participating in a District Development Coordination and Monitoring Committee (DISHA) meeting at Madikeri yesterday.

"Prime Minister Narendra Modi has already launched the Rs. 4,130 crore project to lay a 93-km-long Highway between Mysuru and Kushalnagar and works will begin in a month. Tenders have been awarded and it will be constructed in two packages — from Srirangapatna to Periyapatna and Periyapatna to Guddehosur," he said.

The access-controlled Highway will begin at Paschimavahini in Srirangapatna and end near Guddehosur. It will run parallel to existing NH-275, he added.

The MP asked officials to identify accident spots on the Kushalnagar-Sampaje route. Officers and engineers from the National Highways Authority of India (NHAI) must visit such places and take corrective measures to prevent accidents.

Highlighting the cracks that have appeared on the Kurthoji Hill near Madenadu that stands right above the Madikeri-Mangaluru Highway, the MP said that there are chances of landslides and a retaining wall might solve the problem. He asked the officers to do soil testing and a feasibility study in coordination with geology experts to ascertain what measures could be taken to prevent the blockage of the NH.

MP Pratap Simha addressing press persons at Madikeri yesterday.

Newly-elected Virajpet MLA A.S. Ponnanna asked the engineers to repair the roads that were damaged due to heavy rains since the last four years and ensure that movement of traffic on the Highways is not affected, especially in the light of monsoon arrival in the next couple of days. He particularly mentioned the roads that pass through Madenadu and flooding near Koynadu.

Addressing the meeting, Kodagu Deputy Commissioner Dr. B.C. Satish said that the District Administration is geared up to face monsoon and instructions have been passed onto disaster management teams both at district and taluk levels to handle the situation in case of rains, flooding and landslides.

MLC Bhojegowda raised the issue of the substandard construction of the retaining wall of Kodagu DC's Office and asked the officers to blacklist the contractor and also the consulting agencies who had suggested such an unreliable technology especially when there are chances of landslides. He also demanded action against those responsible for the present state of affairs of the work for which Rs. 7.5 crore was spent.

The MLC also asked the officers to complete the works of the bridge at Bhagamandala and enable traffic movement. The bridge has been sanctioned to prevent roadblocks on the stretch during the rainy seasons but as the works have been inordinately delayed, the public are facing a lot of inconvenience, he added.

MLC Suja Kushalappa said that the district is facing a shortage of jelly stones that usually come from Kerala and as such, many housing projects have been delayed. Ponnanna asked the officers to open a temporary Anganwadi at Nagarahole for the children of tribals who are deprived of education.

Additional Deputy Commissioner (ADC) Dr. Nanjundegowda, Additional Superintendent of Police (ASP) Sundarraj, DFO Shivaram Babu, Assistant Commissioner Dr. Yathish Ullal, Zilla Panchayat (ZP) CEO Dr. S. Akash and other officers were present.

Ring-Tailed Lemurs get new enclosure

Facility built at Zoo under BRBNMPL CSR initiative

Mysuru, May 31 (MTY&KS)- Five Ring-Tailed Lemurs (two male and three female), which were brought from Zoo Park in Czech Republic, have got a new enclosure.

The animals were let into their new enclosure for public viewing and the enclosure was inaugurated yesterday morning by Bharatiya Reserve Bank Note Mudran Private Limited (BRBNMPL) Senior General Manager (PP) Harsh Kumar Manral in the presence of Zoo Authority of Karnataka (ZAK) Member-Secretary B.P. Ravi, Mysuru Zoo Executive Director Ajit M. Kulkarni and others.

The new enclosure has been constructed at a cost of Rs. 75 lakh through BRBNMPL Corporate Social Responsibility (CSR) fund.

BRBNMPL Deputy General Manager (CSR) Pramod Kumar and others were present.

About Ring-Tailed Lemur

The ring-tailed lemur is a medium- to larger-sized strepsirrhine (wet-nosed) primate and the most internationally-recognised lemur species, owing to its long, black-and-white, ringed tail.

They are highly social, living in groups of up to 30 individuals. It is also a female-dominant species, a commonality among lemurs. To keep warm and reaffirm social bonds, groups will huddle together. They use numerous vocalisations, including calling for group cohesion and predator alarm calls.

The ring-tailed lemur is an opportunistic omnivore primarily eating fruits and leaves, particularly those of the tamarind tree. When available, tamarind makes up as much as 50 percent of the diet, especially during the dry, winter season.

The ring-tailed lemur eats from as many as three dozen different plant species and its diet includes flowers, herbs, bark and sap.

Lemurs have been observed eating decayed wood, earth, spider webs, insect cocoons, arthropods (spiders, caterpillars, cicadas and grasshoppers) and small vertebrates (birds and chameleons). During the dry season it becomes increasingly opportunistic.

Heavy rains, gusty wind wreak havoc in Virajpet, surrounding places

- Many trees uprooted, electric poles damaged
- MLA A.S. Ponnanna visits spot, instructs officials to take immediate steps

Virajpet, May 31- Heavy rains, accompanied by gusty wind, thunder and lightning, which lashed Virajpet and surrounding places yesterday morning has brought down a huge branch of a tree on Virajpet-Siddapura Road near Sunkadakatte on hi-tension power lines, snapping the wires and bringing down a couple of electric poles in the process. This resulted in traffic coming to a standstill on the Virajpet-Siddarapura Road. Vehicles were stranded on both directions due to closed road.

Virajpet MLA A.S. Ponnanna, who visited the spot, instructed the officials concerned to get the road cleared and make way for smooth flow of traffic. An electric pole had fallen on an autorickshaw which was ferrying passengers including children. Luckily, the passengers escaped miraculously. But the auto has been damaged and the MLA instructed the authorities concerned to extend financial help to the auto owner following which CESC Executive Engineer (EE) Suresh provided Rs. 5,000 on the spot.

The EE said that he would hold talks with the officials and see that the auto owner would be extended more help.

EE Suresh said that the damaged electric poles would be removed first, new poles would be erected and power lines will be drawn and only then power supply will be resumed. Power supply to Virajpet was given only at 9.30 pm yesterday.

Circle Inspector Shivarudra, Station House Officers Madan Kumar and Ravikumar and staff, CESC Junior Engineer and staff and others were present.

Rain havoc: MLA inspects KRS

Brindavan Gardens closed for tourists today also

Srirangapatna, May 31 (Vinay Karekura&KS)- Following heavy rains and gusty winds which brought down many trees, huge branches and electric poles at Brindavan Gardens in Krishna Raja Sagar (KRS) on Monday afternoon, Srirangapatna MLA Ramesh Babu Bandisiddegowda yesterday visited Brindavan Gardens and conducted inspection.

As a precautionary measure, Brindavan Gardens was closed from Monday evening. The Gardens is closed today also and may reopen tomorrow if fallen trees and electric poles are cleared.

The MLA, who collected information from the officials of Cauvery Neeravari Nigam Limited (CNNL) and the Forest Department, instructed them to clear weak and dangerous trees besides asking them to take steps to prevent danger to Brindavan Gardens.

Speaking about the problems caused by heavy rains five years ago, the MLA said that trees that had posed danger were not cleared since then and took Assistant Conservator of Forests (ACF) Mahadevaswamy and Range Forest Officer (RFO) Anitha to task for the delay.

After holding discussions with the CNNL Executive Engineer, he told the Executive Engineer to extend co-operation to the Forest Department and solve the issues without causing problems to the tourists. He later inspected the boating area and the park.

He also instructed the Agriculture Department officials to inspect agri fields in Hongalli village limits along with the farmers and provide suitable compensation to them.

CNNL Executive Engineer Ramamurthy, Tahsildar Ashwini, Assistant Executive Engineers Farooq Abu and Kishore Kumar, Inspector Puneeth Kumar, officials of the Horticulture Department and others were present.

Cab driver dies of heart attack at Chamundi Hill parking lot

He had brought tourists from Bengaluru

Mysuru, May 31 (RK&KS)- A cab driver, who had brought tourists to Chamundi Hill, has died of massive heart attack at Chamundi Hill parking lot yesterday afternoon.

Tejas Kumar

The deceased cab driver has been identified as Tejas Kumar (27) of Bengaluru. Tejas, who had brought two tourists in his cab (KA-02-AD-8299), took them to Srikanteshwara Temple in Nanjangud and later brought them to Chamundi Hill. After getting the passengers alight near Chamundeshwari Temple, Tejas took the cab and parked it at the multi-level parking lot atop the Hill.

Meanwhile, the tourists, after having the *darshan* of the Goddess, called Tejas on his mobile phone. But some other person received the call and told them that Tejas had suffered a massive attack and had passed away.

Krishnaraja (KR) Police, who rushed to the spot, found the body of Tejas next to his car. It is suspected that Tejas, after parking his car, was sitting next to it when he suffered a massive heart attack and died.

KR Police, who have registered a case, have shifted the body to MMC&RI mortuary.

Attempt to burgle house at Vijayanagar in broad daylight

Incident captured on CCTV camera

Mysuru, May 31 (MK&KS)- A burglar, attempting to burgle a house at Vijayanagar 3rd Stage in broad daylight, has been captured on a CCTV camera two days ago.

At about 1.13 pm, the burglar with a black backpack came near the house and after seeing around, he pressed the calling bell of the house. After confirming that there was no one in the house, the burglar took out an iron road and forcibly opened the iron door, which was installed for security purpose. He then took out a bunch of keys and made several unsuccessful attempts to open the wooden door of the house.

Not happy, the burglar then goes to the first floor and attempts to open the door but in vain and finally he goes back, the footage of which has been captured on the CCTV camera.

The incident came to light when the house owner returned and went through the CCTV footage.

Meanwhile, the residents of Vijayanagar 3rd Stage have stated that incidents of robberies had increased and on Friday, burglars had decamped with gold jewellery worth lakhs of rupees from the house opposite to the house when the burglary attempt was made. The residents said that the jurisdictional Police had taken no action till now and have urged the City Police Commissioner to take steps in this regard.

Burnt body of woman found

Mysuru, May 31 (RK&KS)- A burnt body of an unidentified woman was found in a pit at Sagarakatte in Yelwal Police limits here last evening.

The deceased is said to be between 40 and 45 years. Villagers, who saw fire in the pit which was dug up to excavate red mud to manufacture bricks, informed Yelwal Police.

The Police, who rushed to the spot, conducted mahazar, registered a case and have shifted the charred body to MMC&RI mortuary besides registering a case.

The kith and kin of the deceased, if any or those having any information, may contact Mob: 94808-05046, 94808-05031 or the District Police Control Room on Ph: 0821-2444800.

Obituary

N. Suvarnamma

Hunsur, May 31- N. Suvarnamma (86), a resident of the town, passed away here recently. She leaves behind son A.T. Siddesh, Proprietor of Suvarnashree Oil Stores and a host of relatives and friends. Her another son, former Zilla Parishat Member A.T. Tontadarya had pre-deceased her. Last rites were held at the family's farm land at Siddalingapura in the taluk.

Lending a helping hand to an ailing destitute in city

Yoga enthusiast Badari Narayan, who also works as a food delivery man, admits a sick man to K.R. Hospital with NR Cops help

K.S. Badari Narayan** (second from left) **seen shifting the ailing man with the help of NR Police.

Mysuru, May 31 (SBD&BS)- A destitute man with injuries in his leg and head was lying on the roadside near Government Ayurveda Medical College and Hospital Circle in the city. It was around 1 pm and nobody had come to his help, until K.S. Badari Narayan, a motivational speaker and yoga enthusiast, saw him while passing by.

Badari Narayan, who also works as a food delivery man, lends a helping hand to needy people and takes up civic issues besides feeding cows and other stray animals too.

But to Badari Narayan's surprise no public had come to this old man's help, mostly suffering from elephantiasis, with one of his legs swollen and even if they want to, most of them don't know how to reach out to such people.

When Badari Narayan enquired with the people nearby, they told that 'he (old man) has been lying at the same spot for the past few days and has been spending time, eating bun and biscuits given by generous people.'

People in such cases call the Police patrolling party through the **Emergency Response Support System (ERSS), a Pan-India single number - 112,** which Badari Narayan also duly did. Assistant Sub-Inspector of Police Subramani attached to Narasimharaja Police Station came along with 108 ambulance.

Now the old man is admitted at K.R. Hospital and calls himself as Basaiah. He has lost his memory, but after his treatment, he will be shifted to the Beggars Home, only if he gives the consent, says Badari Narayan.

There are many such people crying for help. What they need is a helping hand, like in the above case. What we have to do is open up, both mentally and physically to rescue such people found in abundance on the streets, feels Badari Narayan, a concerned citizen of Mysuru.

Badari Narayan has appealed others to help such needy people by just calling 112 toll-free number. They will arrange 108 ambulance and rush them to Government Hospital. 'In the case of strangers, a written information is enough for the doctors to start treatment to save their lives. If possible shift such patients to destitute centre after their recovery,' he urged.

Mime show, jatha mark 'World No Tobacco Day'

Mysuru, May 31 (MTY&KS)- Marking World No Tobacco Day, the District Administration, Zilla Panchayat, Department of Health and Family Welfare, District Surveillance Unit and District Tobacco Control Unit, MMC&RI, Bharath Hospital and Institute of Oncology and other organisations had organised an awareness rally in city this morning to spread a message on the ill-effects of tobacco consumption.

Speaking at the event organised in front of Kote Anjaneyaswamy Temple, at the North Gate of Mysore Palace, District Judge and District Legal Services Authority (DLSA) Member-Secretary B.G. Dinesh said that by observing World No Tobacco Day, one should convince tobacco addicts to shun consumption of tobacco products by creating awareness about the ill-effects about tobacco consumption.

"Consumption and manufacturing of tobacco products were increasing every year which is alarming. Forest land is being converted to grow tobacco and consumption of tobacco products should be controlled," the Judge said.

K.V. Rajendra, who too spoke, said that though warnings about the dangers of tobacco consumption is printed on tobacco products' packs, it has not brought tobacco products consumption under control.

"Consumption of tobacco products such as cigarettes, gutka etc. is like slow death, which is the main cause for cancer. 90 percent of patients admitted at KIDWAI in Bengaluru suffer from cancer due to direct or indirect consumption of tobacco. Youths are getting used to tobacco which is dangerous to them. Manufacture and sale of tobacco products should be brought under control and tobacco growers should switch to alternate crops," the DC added.

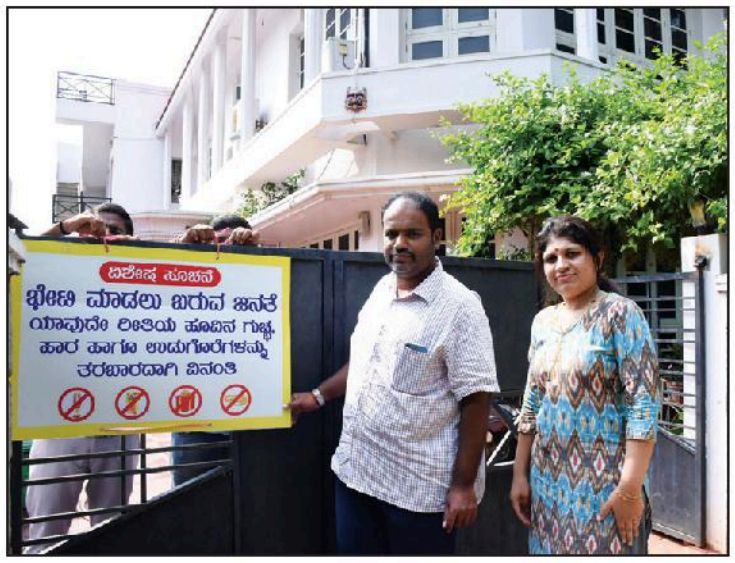
Earlier, a mime show on the ill-effects of tobacco consumption was staged.

Later, students of various Nursing Colleges in city, carrying placards with messages on the dangers of tobacco consumption took out an awareness jatha on the main thoroughfares of city.

District Health Officer (DHO) Dr. K.H. Prasad, District Surveillance Officer Dr. Mohammed Siraj and others were present.

No garlands, bouquets, gifts

New Gundlupet MLA Ganesh Prasad puts notice board in front of his Kuvempunagar house against extravagant spending



Mysuru, May 31 (MTY&BS)- A notice board has been hung on the gate of a house in city, which reads in Kannada: "Vishesha Soochane - Beti Madalu Baruva Janathe Yavude Reethiya Hoovina Guchcha, Haara Haagu Udugoregalannu Tarabaradagi Vinanti" (Special Instructions- People coming to meet me should not bring any bouquet, garland or gift).

Newly elected Gundlupet MLA H.M. Ganesh Prasad, son of former Minister late H.S. Mahadeva Prasad, has hung the above board in front of his house 'Deva Geetha' on 4th Cross, Gaganachumbi Double Road, Kuvempunagar in city.

This follows the recent move of Chief Minister Siddharamaiah issuing an order not to offer him any gifts or felicitations along with garlands and bouquets, other than books.

Taking a cue from the CM, Ganesh Prasad along with his wife Vidya hung the board in front of his house to avoid any extravagant spending.

Speaking to *Star of Mysore*, Ganesh Prasad said 'Following my victory in the election, people are thronging my house to wish me along with garlands, shawls, petas, bouquets, basket of fruits and other items. The garlands and bouquets fade fast and will be rendered waste. Hence, those coming to see me, should visit in empty hand. Instead of spending money on felicitations, the same amount can be given to Government Schools for the benefit of students. So, the name board has been erected to make a similar appeal among visitors to my house.'

Govt. and aided Schools re-open

(Continued from page 1)

The MLA and DDPI inspected basic facilities provided in the school like drinking water, toilets and preparations for mid-day meals. They also directed teachers to take good care of students and other activities of the school. Some parents had accompanied their children on the first day of the school.

Zilla Panchayat CEO K.M. Gayathri welcomed the students at Government Primary School, Keelanapura village.

Krishnaraja MLA T.S. Srivatsa received students at Government Primary School, Kanakagiri in Vidyaranyapuram and offered sweets to students, while NR MLA Tanveer Sait welcomed students at Government Primary School, Kyathamaranahalli and also at Nizamia school and encouraged them by offering sweets, textbooks and uniforms.

Books are being distributed at all schools of the district. Teachers of Government Schools had made all the preparations in connection with the reopening of schools, yesterday itself. There was about 60 percent attendance in Schools on the first day today.

Schools will function for 244 days during the academic year 2023-24 — from May 31 to Oct.7 (from Oct. 8 to 24 there will be Dasrara holidays).

The second term will start from Oct. 25 and go on till Apr. 10, 2024, says a circular issued by the Officials of Department of Public Instructions.

It has also been directed to ensure that all students get textbooks and uniforms compulsorily by May 31 and complete Aadhaar Card verification for remaining students.

ADGP B. Dayananda takes over as Bengaluru City Police Commissioner

New Bengaluru City Police Commissioner B. Dayananda (left) receiving the baton from C.H. Pratap Reddy this morning.

Fitness and bike riding aficionado, he served as Mysuru City Police Commissioner in 2015-2016

Bengaluru, May 31 (Agencies)- Additional Director General of Police (Intelligence) B. Dayananda has taken over as the new Police Commissioner of Bengaluru City this morning. He has replaced C.H. Pratap Reddy who is now the Director General of Police of Internal Security Division. The shake-up in the Police Department comes days after Congress registered an emphatic victory in the elections. Sources said that the transfers, especially of the Bengaluru City Police Commissioner, were affected by the Chief Minister's Office as Siddharamaiah holds the portfolio of Department of Personnel and Administrative Reforms as well as Intelligence.

In other transfers, Dr. M.A. Saleem, who was serving as ADGP and Special Commissioner (Traffic) in Bengaluru City and who has been efficiently managing Bengaluru's notorious traffic, has been promoted as the DGP and will take over as the DGP of CID. K.V. Sharath Chandra, who was serving as the ADGP of the Criminal Investigation Department (CID) of Bengaluru is now the new ADGP of Intelligence, and will report directly to the CM.

Taking charge from Pratap Reddy, Dayananda, who had served as the Mysuru City Police Commissioner in 2015-2016, told reporters that he will focus on traffic management and cybercrime. "People have trust in the Department, and I will work hard to retain that trust. There are many challenges, and they will be taken up on priority. Traffic management in the city needs coordination from civic agencies. The Department will work with the agencies to manage traffic in a better way."

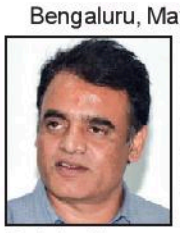
There is an overload of cases in cybercrime stations and the Police require training to investigate the cases effectively, he said and added that the required training will be provided to all the Policemen to handle cybercrime cases, he said.

Hailing from Ranebennur in Haveri district, Dayananda is passionate about fitness and bike riding. He is known as a tech-savvy officer. He started one of the world's first Police blogs for dissemination of Police news in 2005, while working as Dakshina Kannada SP.

Unsavoury remarks against Siddharamaiah

Relief to Dr. Ashwathnarayan as HC stays FIR filed in Mysuru

Congress delegation questions IGP on delay in arrest; accuses Police of favouring BJP



Dr. Ashwathnarayan

Bengaluru, May 31 (Agencies)- The High Court (HC) of Karnataka yesterday stayed the FIR against former Deputy Chief Minister (Dy. CM) and Malleswaram BJP MLA Dr. C.N. Ashwathnarayan for four weeks. Dr. Ashwathnarayan had approached the HC seeking a direction to quash the FIR lodged against him for his remarks against the then Leader of Opposition and current CM Siddharamaiah. Justice M. Nagaprasanna, who heard the petition and arguments by senior advocate Prabhuling Navadgi, said that *prima facie* the offence under Section 153 of the IPC (provocation for rioting) was not forthcoming.

In a meeting of BJP workers on Feb. 15, Dr. Ashwathnarayan had called upon the party supporters to "finish off Siddharamaiah just like Urigowda and Nanjegowda finished off Tipu Sultan." The complaint was lodged at the Devaraja Police Station in Mysuru.

Navadgi, the Advocate General in the previous Government, argued the case and pointed out that the complaint by Karnataka Pradesh Congress Committee (KPCC) Spokesperson M. Lakshmana was filed on May 24, 2023 after the new Government came to power and the FIR was registered the same day, which showed malicious intentions. Another complaint was filed in February itself and a non-cognisable report was filed in the issue, the Court was informed.

"Ashwathnarayan, during his speech, had referred to the warriors Urigowda-Nanjegowda and Tipu Sultan as a metaphor for a political fight and an electoral victory. It was made only with the intention of defeating another political rival in the elections and not meant in any literal sense. This has already been clarified both in the media and in the Houses of the Legislature," the petition said.

"With Congress assuming power in the State, a fresh complaint was given and an FIR was registered due to political pressure. The complaint is filed only with a malicious intention of harassing the petitioner and the complaint itself speaks of expressing suspicion of threat to life, which in fact does not exist," the petition by the former Dy.CM said.

Cong. delegation meets IGP

Meanwhile, in another development, a Congress party delegation met IGP (Southern Range) Praveen Madhukar Pawar yesterday and questioned him why Dr. Ashwathnarayan has not yet been arrested and questioned till now despite the FIR. The delegation questioned the Officer why the case was transferred to Mandya and how the former Dy.CM managed to secure bail.

The delegation alleged that the Police facilitated Dr. Ashwathnarayan to get bail and the case has not been investigated thoroughly. Congress members alleged that the Police were still working in favour of BJP despite a new Government ruling the State.

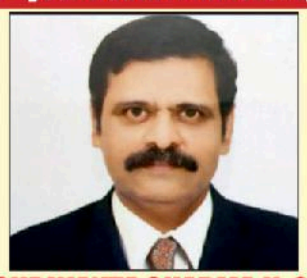
Reacting to the allegations, IGP Praveen Madhukar Pawar told the Congress members that he will seek information from the Mandya SP on why the former Dy.CM has not been arrested.

The Congress members said that after working on a play 'Tipu Nija Kanasugalu' with an "intention to disturb communal harmony", former Rangayana Director Addanda C. Cariappa was working on a play based on Veer Savarkar. The party members asked the IGP to restrain Cariappa from staging the play in Mysuru for which he replied that they must contact the Mysuru City Police Commissioner for that.

The IGP said that enquiries will be done and action will be taken if the play is staged beyond Mysuru Commissionerate jurisdiction.

District Congress President Dr. B.J. Vijayakumar and Spokesperson Lakshmana were present.

2nd year Death Anniversary



SHRIKANTA SHARMA K. S.
Assistant General Manager
(State Bank of India)

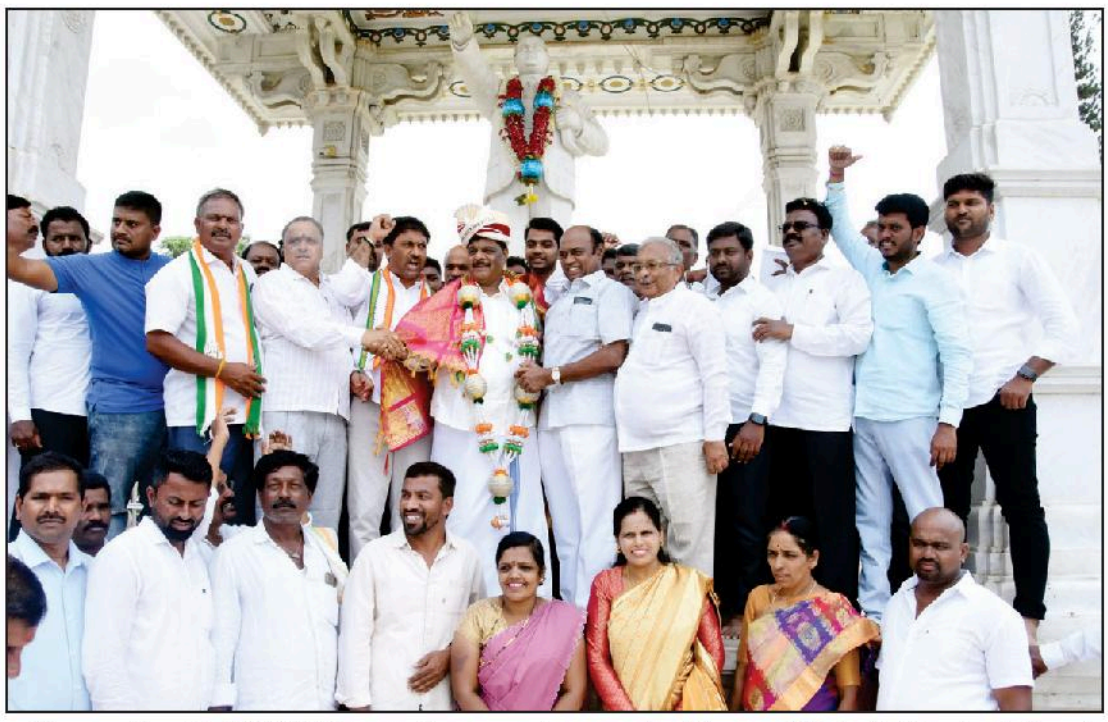
Will give oxygen to people hit by BJP's rule: Minister Dr. H.C. Mahadevappa



Mysuru, May 31 (MTY&BS)- Social Welfare Minister Dr. H.C. Mahadevappa has alleged that 'BJP is out to put the blame on Congress Government just to hide its failures.'

Dr. Mahadevappa spoke to media persons after offering floral tributes to the statue of Dr. B.R. Ambedkar in the Town Hall premises here yesterday, for the first time after becoming the Minister.

"BJP has been making false allegations against Congress to avoid people's outburst against them. The BJP had to face people's ire due to large scale corruption and hence they are eager to cast aspersions on Congress that has won with people's blessings, thus raking up the guarantees promised by the party. Both BJP and Janata Dal (Secular) lack morality to issue deadline to implement the guarantees. As an Opposition party, they can question in the democratic system, but have been making statements in a hurry, forgetting how people have blackened their face with ash," he said in a mocking tone.

The Government is yet to take off, but the rival parties are issuing deadlines. Their failure in administration and unabated corruption was a hurdle for development. How will the people vote, when there is no development to claim. Hence they were defeated and now have been speaking out of despair, said Dr. Mahadevappa.

"We had offered solutions to get rid of crisis-ridden life if we came to power, along with five guarantees. The first priority is to create a conducive atmosphere for the people in crises to eke out a living. While BJP had created a situation that 'Life is possible only with oxygen support,'" he added.

BJP lacked leadership in the State and that was why the votes were sought in the names of Prime Minister Narendra Modi and Home Minister Amit Shah. Wherever they went, Congress candidates have won by a margin of 25,000 to 30,000 votes, said Dr. Mahadevappa attributing it to the anti-incumbency against BJP Government and PM Modi's silence towards the complaint of 40 percent Commission.

BJP leaders had earlier promised to deposit Rs. 15 lakh in the account of every citizens of the country. Former MLA C.T. Ravi had even denied of making any such promise. This shows their double-standard, but they have to tell the people of the country that they won't give Rs. 15 lakh, said Dr. Mahadevappa who reminded the BJP leaders to look into the paper clippings on the promise made to bring back the black money stashed abroad.

BJP had distorted history during the revision of textbooks and we had opposed it as Opposition party. We will correct what has been distorted, said Dr. Mahadevappa.

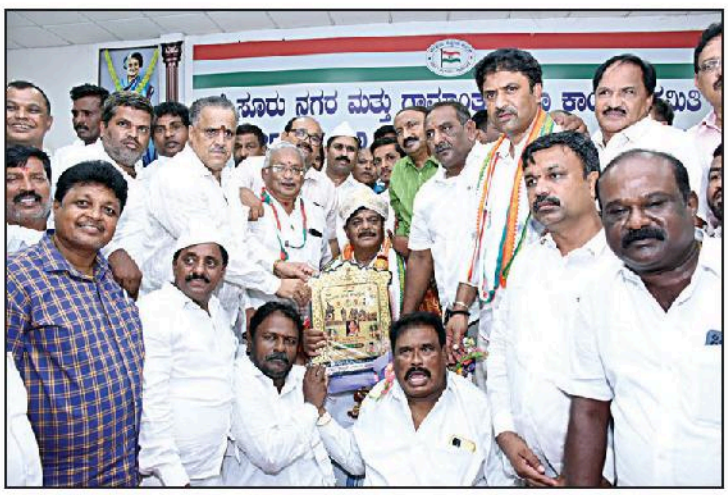
"Our aim is to win all the 28 Lok Sabha seats in the State in the coming Lok Sabha elections" the Minister added.

Tributes to various personalities

Minister Dr. H. C. Mahadevappa also offered floral tributes to the statues of 12th century social reformer Basavanna at Gun House Circle, Bhagwan Buddha at Buddha Vihar near Ballal Circle, erstwhile Maharaja of Mysore Nalwadi Krishnaraja Wadiyar at K.R. Circle and the statue of Babu Jagjivan Ram in front of Railway Station, followed by a visit to Suttur Mutt at the foot of Chamundi Hill to seek the blessings of Suttur Seer Sri Shivarathri Deshikendra Swamiji.

City and District Congress Committee fetes Social Welfare Minister

Mysuru, May 31 (MTY&BS)- Social Welfare Minister Dr. H. C. Mahadevappa was felicitated by Mysore City and District Congress Committee at the party office here yesterday.



Dr. Mahadevappa, who came to the city for the first time after being sworn-in as the Minister, was felicitated by the party workers and well-wishers.

Addressing the gathering, Dr. Mahadevappa said 'The validity of the budget presented by previous BJP Government headed by Chief Minister Basavaraj Bommai is for three months. Following the formation of new Government, new budget should be presented, as it is not possible to allocate funds for the programmes without new outlay. However, BJP leaders are acting like fools without knowing the process."

Mysuru has a big history in whole State, with Nalwadi Krishnaraja Wadiyar having the credit of creating an egalitarian system even when there was no democracy and Constitution, and implemented reservation, laying the path for a democratic system. The independent India saw leaders like former Chief Minister late D. Devaraja Urs, Tulsidasappa, B. Rachaiah and Sahukar Channaiah who showed a better path. Now, we have been following in the footsteps of Chief Minister Siddharamaiah, said Dr. Mahadevappa.

City Congress President R. Murthy said 'All India Congress Committee (AICC) General Secretary Randeep Singh Surjewala, who is also State in-charge, has aimed to build a full-fledged Congress Bhavan in the city within the next two years. Ministers Dr. H.C. Mahadevappa and K. Venkatesh, who are from Mysuru district, should cooperate in this regard, he urged.

'Rajayoga Karmasiddantha' can curb growing crime rate

Mysuru, May 31 - "Today, crime rate is increasing globally, but it is possible to curb it with the knowledge of 'Rajayoga Karmasiddantha' (about rebirth) taught at the Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya," stated retired Superintendent of Police (SP) Nagappa. He expressed his opinion while inaugurating the Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya's new Rajayoga Spiritual Education Centre in Sardar Vallabhbhai Patel Nagar here recently.

Nagappa

Founded in 1936 as a small women's organisation, this organisation has now expanded to 147 branches worldwide within a short span of time, which is truly commendable. Visitors to this place will be drawn to the positive and peaceful atmosphere. Unfortunately, the lack of awareness about the consequences of their actions — both in the present and in the long run — has led to a rise in the number of crimes, Police Stations and Courts, which is a concerning development, he rued.

Veteran spiritual thinker B.K. Ranganath emphasised the urgency to replace the unrest prevailing in the world with peace. In pursuit of this objective, the new Rajayoga Spiritual Centre has been established.

ACP Gajendra Prasad stressed importance of elevated thinking, simple lifestyle and abstaining from negative habits as prerequisites for mental peace.

Lecturer Pandit Siddalingaswamy, retired SBI Manager Rangaswamy, and retired Dy.SP Krishnamurthy shared their experiences. The programme featured singing and dances.

Chief Convener of Mysuru Sub-Division Rajayogini B.K. Lakshmiji highlighted that the Rajayoga education provided in this centre will facilitate holistic development, benefitting the residents of the area. The inaugural function was attended by B.K. Ramachandra, B.K. Rashmi, B.K. Shivaleela, B.K. Manjula, Maniyanna Kumar, and B.K. Aradhya. To mark the occasion, a Shanti Shobha Yatra was organised by the Brahma Kumaras, Brahma Kumaris, and students along the main streets of the locality.

Drawing, Essay Contests tomorrow

Mysuru, May 31- Commemorating World Environment Day, Karnataka State Pollution Control Board (KSPCB), in association with the District Administration, District Legal Services Authority (DLSA) and Madilu Education and Rural Development Institute, Mysuru, has organised Drawing/Painting and Essay Competitions for school children at Kalamandira premises tomorrow (June 1) between 10.30 am and 12.30 pm. Topic for the competition is 'Solutions to Plastic Pollution.' For details, contact Ph: 0821-2519411.

MLA Srivatsa inspects Kabini Water Project

Mysuru, May 31 (RK&DM)- Newly elected Krishnaraja (KR) MLA T.S. Srivatsa on Monday visited Kabini Drinking Water Project site near Bidaragodu in Nanjangud taluk and inspected the progress of works.

Later speaking to press persons, Srivatsa said that the Project is aimed at supplying 120 MLD of water from Kabini river to several areas of the city. Though the works concerning Pumping Station and pipeline are almost complete, many other civil works need to be executed, he pointed out. Noting that the Kabini Drinking Water Project was taken up as the water supplied from KRS (Belagola) and Melapura Pumping Stations were not enough for the city, he said that the Kabini Water Project will supply water to many residential localities that have come up in the southern parts of the city. The project will also serve the drinking water needs of several villages located along the water pipeline, he added.

Srivatsa was accompanied by Mayor Shivakumar, Deputy Mayor Dr. G. Roopa, MCC Commissioner G. Lakshmikantha Reddy, SE S. Mahesh, VVWW EE Suvarna and other officials.

Toilet, drinking water unit and shelter at MMC&RI campus

Mysuru, May 31 (MK&BS)- Various facilities built for the benefit of bereaved relatives near the mortuary and pregnant women's screening section at Cheluvamba Hospital in the premises of Mysore Medical College and Research Institute (MMC&RI) were inaugurated by its Dean and Director Dr. K.R. Dakshayani and Rotary District Governor P.K. Ramakrishna recently.

Speaking on the occasion, Dr. Dakshayani said: "Rotary Mysore Midtown has built facilities like toilet and drinking water unit near the mortuary and shelter for pregnant women to relax at Cheluvamba Hospital. Previously, the same organisation had built the shelter in the premises of mortuary. I am thankful to them on behalf of MMC&RI."

Cheluvamba Hospital Medical Superintendent Dr. Rajendra, Rotary Mysore Midtown President Rtn. Naveen Chandra and office-bearers were present.

Logical analysis can prevent myths associated with space

COSMOS organises 'Sky Watch' for children to clear misconceptions about solar and planetary systems

Mysuru, May 31 (CN&BCT)- Natural phenomena like solar eclipses, lunar eclipses and full moons have caused fear, inspired curiosity and have been associated with myths, legends and superstitions throughout history. Even today, an eclipse of the Sun is considered a bad omen in many cultures. But they are astronomical events and natural and there is no basis for blind belief, opined N. Amoghavarsha, Project Associate, Cosmology Education and Research Training Centre (COSMOS), Mysuru.

He was speaking at a programme 'Sky Watch' organised by COSMOS and Indian Institute of Astrophysics (IIA) recently at Vijnana Bhavan. The aim of such programmes is to increase students' knowledge of the solar system, planets, stars, celestial bodies, constellations, phases of Moon, eclipses, with which many superstitions are associated and are present everywhere in the society.

"Such events will achieve positive results. Since space is a simple and commonly available resource adhering to nature and natural processes, it can be used as the basis of principles of science," he noted.

"COSMOS and IIA enable students to learn the universe through astronomy. They focus on observation of the events happening around us and inform the reason for their occurrence. Related ideas are demonstrated through various activities and discussed, as scientific observation of the environment contributes a lot in understanding daily events," he said.

"There are some topics which are an integral part of our daily life, such as day and night, changing seasons and the Earth's atmosphere. Apart from this, an understanding of the celestial bodies and their motion helps us with various applications of science. Logical analysis can be helpful in preventing misconceptions from growing," he added.

"It is important to clear their assumptions and local beliefs about an eclipse and the reasons behind those popular misconceptions. Normally, children are influenced by events and beliefs around them and whatever they have heard from their family members. Such events give children an opportunity to check their knowledge which is based on the information that they receive and then to be able to identify the scientific ones," Amoghavarsha added.

On the world's first commercial 15-metre LED Dome Planetarium that will be constructed on a 3-acre plot at the foot of Chamundi Hill, Mysuru, by IIA and Department of Science and Technology and the Department of Atomic Energy, Government of India, he said that the structure is set to be completed in 2024.

"The planetarium show will be displayed through the LED lights on the dome itself, offering much better contrast with 8K resolution and eliminating issues typically encountered with conventional projection systems," he added.

COSMOS Project Assistant R. Puneeth, students and parents were present. The organisers could not really demonstrate the actual Sky Watch as dark clouds obstructed the show. But there was a virtual demonstration and also sessions on types of telescopes and their uses were demonstrated and explained.

Admissions open at SKCV Ashram

Mysuru, May 31- Sahukar Kabballi Channabasappa Veerashaiva (SKCV) Ashram has invited applications from students belonging to Veerashaiva-Lingayat community, who have passed SSLC with 60% marks, to avail hostel facility for the academic year 2023-24.

Eligible meritorious students, who are BPL card holders and are residents of Gundlupet taluk, can visit the Hostel Office between June 1 and 10 to obtain the application forms from 10.30 am to 2 pm. For details, contact Mob: 95387-69767, according to Ashram Hon. Secretary M. Basavaraju.

Articles invited

Mysuru, May 31- In commemoration of late social activist Prof. K. Ramdas, Desiranga Samskruthika Trust, Mysuru, has invited articles in Kannada on the topic 'To what extent can inter-caste marriages bring about a social change.'

The articles must not exceed 4 pages and should not have been published elsewhere before. Last date to send articles is June 13. Best articles will be selected for Prof. K. Ramdas Award.

Articles should be sent to: Krishna Janamana, President, Desiranga Samskruthika Trust, 'Anudina Nilaya', EWS-155, 10th Cross, Gangothri Layout, Mysuru-09. [Mob: 70194-41509]

WORD OF THE DAY

Maudlin

Pronunciation: MAUD-lin.
Meaning: Maudlin describes someone or something that expresses sadness or sentimentality in an exaggerated way.
Origin: The history of maudlin is connected both to the Bible and the barroom. The biblical Mary Magdalene is often (though some say mistakenly) identified with the weeping sinner who washed Jesus' feet with her tears to repent for her sins. This association led to the frequent depiction of Mary Magdalene as a weeping penitent, and even the name Magdalene came to suggest teary emotion to many English speakers. It was then that maudlin, an alteration of Magdalene, appeared in the English phrase "maudlin drunk" in the 16th century, describing a weepy, drunken state. Nowadays, maudlin is used to describe someone or something that expresses sadness or sentimentality in an exaggerated way; however, the "maudlin drunk" meaning was so intoxicating that it stuck around and became the "drunk enough to be emotionally silly" sense still in use today, as in "after a few glasses of port he became quite maudlin."
Example: "All seven musicians in the band complement each other so effortlessly that at times it's like they all breathe together. The album is often dark, and in the hands of less skilled songwriters could be maudlin and self-indulgent, but I think you can hear just how much fun they have playing together." — Rob McHugh

THE ODD WORD

Macrotous

Big-eared.

PHRASE OF THE DAY

Many are called but few are chosen

Meaning: Literal meaning, alluding to the variety in qualities of humankind.
Origin: From the Bible, Matthew 22 (King James Version):
22:11 And when the king came in to see the guests, he saw there a man which had not on a wedding garment:
22:12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless.
22:13 Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness, there shall be weeping and gnashing of teeth.
22:14 For many are called, but few are chosen.

QUOTE BOX

It is not as much about who you used to be, as it is about who you choose to be. — **Sanhita Baruah**

RIDDLE THIS

Solve the rebus:

NO WAYS IT WAYS

Answer: No two ways about it.

CROSS WORD

ACROSS:

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
